15th December 2020

Dear Parent/Guardian,

We are delighted to announce that Melksham Oak has recently invested in GCSEPod, the award-winning digital content and revision provider used by over 1,250 schools worldwide.

As a subscriber, your child now has access to GCSEPod's library of over 6,000 'Pods,' 3-5 minute videos designed to deliver knowledge in short bursts. GCSEPod makes learning and revision much more manageable: every Pod is mapped to an exam board, and contains all the right facts, quotes, keywords, dates and annotated diagrams that your child needs for GCSE success – all neatly organised into topics and exam playlists. Whilst this will be most useful to Year 11 students preparing for their 2021 exams, we are sending this to all students/parents because all students now have access to this valuable content.

One of the best things about GCSEPod is that you can download any Pod to your child's mobile device & then they can watch them at any time, in any place, with or without internet. It's like they're carrying a whole set of textbooks in their pocket! Make sure you download the GCSEPod app from the App Store to access this feature.

GCSEPod also has the ability to identify knowledge gaps and automatically send playlists to help fill them. After completing any homework set on GCSEPod, your child will get a personalised "Boost Playlist" of Pods relevant to their identified areas of weakness. We strongly suggest you encourage your child to review these playlists regularly as this will speed up their progress.

We recommend that you talk about GCSEPod with your son or daughter – check that they've successfully activated their account and encourage them to make use of this amazing resource throughout their GCSE's. Once they've activated their account, they can browse the GCSEPod library and create their own playlists – just as they would when they're listening to music.

For more ways to support your child using GCSEPod, please visit www.gcsepod.com/parents where you'll find lots more information and resources.

Your child has already been registered with GCSEPod, so all they need to do is log into their account by following the instructions below. If your child has forgotten their school password, please ask them to contact MatthewsB@melkshamoak.wilts.sch.uk.

- Go to www.gcsepod.com and click "Login" in the top right-hand corner.
- Click the orange button that says "Sign in with Office 365".
- Select the orange "Sign in with Office 365" button again.
- Enter your child's school email address and password.

Alternatively students can also access GCSEPod via the schools' Blended Learning Platform – found on the school web site or using this link: <https://moak.sharepoint.com/>

If you have any questions regarding GCSEPod please contact me: maguirem@melkshamoak.wilts.sch.uk

Yours faithfully,

Michael Maguire - Head of History and GCSEPod lead
