Dear Parent/Carer

We have been advised that a student at Melksham Oak has been tested positive for Covid-19. The student last attended the school on Friday 13th March.

We have been advised by Public Health England to continue with our preventative control. This includes how we communicate the government guidance and the cleaning schedule for the school.

Until advised otherwise by the Public Health England the school will remain open for all years except Year 9 and 10.

All communication regarding Covid-19 should be directed to the chat facility on the school website. This can be identified by the question mark at the bottom of the screen.

Yours sincerely

A handwritten signature in black ink, appearing to be 'A.H.', written over a horizontal line.
