

Accessing the student remote access option:

The student remote access option is very simple to use as long as you enter your username correctly.

Click on the link within the school website (you may right-click and choose 'Save-As' and save it on to your desktop for convenience) and agree to any security message presented.

Then when asked to enter your username and password enter MOCS\username as shown below along with your password.

Click the OK button and click YES if you are prompted with a further security warning.
